

Sisters in Heart

The Lord has chosen my name for you
And another He's chosen for me.
We'll pray for each other throughout the year
God's riches and blessings to see.

Though I don't know you as well as I might
I'll take comfort in knowing you care.
And I'll keep on praying for all of your needs
What a joy for my soul to bear.

And when, in a year, our names are revealed
Our hearts will be melted as one.
We'll share all the blessings the Lord has bestowed
With dear sisters and friends in the Son.
